To pay with credit/debit card or PayPal, go to <https://www.foa.org/Paypal/Renewal.html>

Please renew my FOA Certifications - \$100 for 3 years (\$US)

FOA Certification# _____ Expiration Date _____

Name _____

Company _____ Title _____

Street Address _____

City _____ State/Province _____

Zip/Postal Code _____ Country _____

Phone _____ (include country code outside US and Canada)

Email _____ (used for online credential)

PLEASE READ ALL NOTES CAREFULLY!

Note: You must know your FOA Certification Number and Expiration Date to renew. Many people refer to their FOA Certification Number as their "CFOT number" because they received their CFOT first. This renewal covers all your FOA certifications. If you need assistance finding your certification number or expiration date, email the FOA at info@foa.org.

Note: we must have a permanent personal email for your new online credential and renewal notifications! If your email changes notify the FOA at info@foa.org. If you are renewing for someone else, you must fill in this form with their name, certification number and current email address for the FOA database.

Note: Your FOA certification credential will be online. After your renewal is processed you will receive an email from certifications@foa.org that gives you directions on using your new online certification, including the ability to print your own certificate. For more information on FOA online certifications see https://www.foa.org/Cert_Online.html.

Note: If your certification expired more than 3 years ago but you are still actively working in fiber optics, you may recertify by taking the certification renewal exam. FOA will contact your with directions.

Note: If your certification expired more than 3 years ago but you are not actively working in fiber optics, you must take a class at an FOA Approved School to recertify.
